

**Collection Update  
Township of Langley  
February 8, 2017**

Due to the large volume of snow there may be some areas we cannot access for curbside collection. Garbage collection is our priority. If your recycling is not collected by the end of the day please remove from curb and place it out next week on your collection day. Crews are out there doing their best to safely collect the material.

**Wednesday Collection – February 8, 2017**

**Garbage/Organics**

Organics collection complete – no access problems  
Garbage collection as well complete with no access issues

**Recycling Collection**

Ongoing but almost fished for the day. We had access issues in the rural recycling areas but did get all the arterial routes. In Walnut grove the primary problem areas are cul-de-sacs. Any blue boxes still out at 5:00 pm will be because of access issues. We will advise residents to remove from curb and place out next week on their collection day.

**Collection Update  
Township of Langley  
February 7, 2017**

Due to the large volume of snow there may be some areas we cannot access for curbside collection. Garbage collection is our priority. If your recycling is not collected by the end of the day please remove from curb and place it out next week on your collection day. Crews are out there doing their best to safely collect the material.

**Tuesday Collection – February 7, 2017**

**Garbage/Organics**

Here is a list of the areas we could not access for organics collection. We will return tomorrow to see if conditions have improved:

272 to 276 St from 32 to 33 Ave  
6200 blk 236A St  
23400 blk 60 Ave  
21800 blk 51 Ave  
240 to 24400 blk of 63 Ave  
24200 blk 63A Cr  
268 to 272 St 26A Ave

We returned to the areas we were unable to access yesterday for organics and found the same conditions so for residents in the following areas we ask them to remove from curb and place out next week for collection:

65 to 6800 Blk between 203 and 208 st  
68 to 7000 Ave between 196 and 200 St  
68 to 7200 blk between 200 and 203 St

Garbage collection was 100 % complete today.

## **Recycling Collection**

Any recycling not collected today was due to access issues.

Residents are advised to remove from curb and place out next Wednesday ( due to the holiday ) for collection.

## **Collection Update**

### **Township of Langley**

**February 6, 2017**

Due to the large volume of snow there may be some areas we cannot access for curbside collection. Garbage collection is our priority. If your recycling is not collected by the end of the day please remove from curb and place it out next week on your collection day. Crews are out there doing their best to safely collect the material.

### **Monday Collection – February 6, 2017**

#### **Garbage/Organics**

Garbage collection is complete with the exception of 14 homes :

7600 Blk of Morrison Cr  
212 to 21600 blk of 78 Ave

These will be collected this afternoon with a smaller truck.

7600 Blk of Morrison Cr  
212 to 21600 blk of 78 Ave

These homes were collected this afternoon completing Zone A garbage.

Of note there were a number of homes not out presumably thinking we would not be collecting today.

Organics collection is complete with the exception of the areas listed below all on slopes :

65 to 6800 Blk between 203 and 208 st  
68 to 7000 Ave between 196 and 200 St  
68 to 7200 blk between 200 and 203 St

We will check access tomorrow and collect what we can

## **Recycling Collection**

Recycling Collection continues – we are having access issues on slopes and cul-de-sacs.

Any recycling not collected today was due to access issues.

Residents are advised to remove from curb and place out next Tuesday ( due to the holiday ) for collection
